WERE JOYOUS  
IN CELEBRATING  
END OF WORLD

HAPPY PAIR BECAME HILARIOUSLY SOUSED WATCHING APPROACH OF COMET.

The old fable of "the blind leading the blind," was demonstrated at an early hour yesterday morning in this city. Those who were out gazing on Mr. Halley's comet, were treated to the sight and it may serve as an inducement for others in this city to set their alarm clocks at or about 3 o'clock, and the sight may be duplicated. It happened along the upper portion of Main street. The two parties, supposedly husband and wife, had evidently been celebrating the advent of the comet, or perhaps were making preparations to end their days joyfully, fearing that all terrestrial life would cease when the tail of the comet over-swept this sphere.

Anyway the aforesaid couple were gloriously sooused. Her was trying to lead him while him desired to take one more drink. Then the tables would change and him would try and persuade her to come on home. The pair saw-sawed up the street and as the dawn broke they disappeared up a side street, evidently satisfied with the night's performance.

Quite a bunch gathered and watched the progress of the two as they wended their way in a zig-zag fashion to their home and several wagers were recorded as to the inability of either one to take another drink. But the bets were declared off when the pair did not return for another highball.

BIGGEST AND  
BEST PROGRAM OF  
THE SEASON

EVERY FILM SHOWN AT THE BUTLER THEATER TODAY IS A FEATURE.

A good show was enjoyed by a large crowd at the Butler theater last night. Six pictures were shown and all were good. The singing of Miss Feldman, as usual, was very good. Commencing at today's matinee there will be the usual change of program. The management has prepared one of the biggest and best programs of the season for today. The pictures are: "The Latest in Garters," comedy; "Flat for Rent," comedy; "Her Sweet Revenge," one of the best comedies ever shown in Tonopah, and a big cowboy picture entitled, "Western Justice." This program must be seen to be appreciated. Commencing at next Sunday's matinee the Bibot sisters will open their return engagement. These little popular girls have an entire change of acts and songs. For their opening bill they will appear as the "Yama Yama Girls." This act is full of new and catchy songs. The price of admission will remain the same—10 cents.

LITTLE TOTS  
ARE PRACTICING  
FOR CANTATA

FAIRYLAND WILL BE PRODUCED AT NEVADA THEATER SATURDAY NIGHT.

The little people from the lower grades of the public schools are busily rehearsing their cantata at the Nevada theater. When this is presented Saturday evening the people of Tonopah will be astonished to discover the latent talent among these small midgets.

For material fairyland has been ransacked. There is a Fairy Queen whose dignity would put an average gracious majesty in the shade. There is an army and a commander of an army to whom military people should turn for pointers. And when it comes to dreadful people, look out for the "Goo-Goo men," the "King of Inps," and his companions.

But no matter how terrible and startling, or how graceful and pretty they are, everyone can sing and they do it. The "Fairyland Cantata" is a splendid little affair and you should see it. Don't forget the date, Saturday evening, May 21st, at 8 o'clock.

The entertainment is given for the benefit of the athletic fund of the high school. The boys went considerably in debt in purchasing football and baseball paraphernalia, and it is hoped that the proceeds of the show will be sufficient to pay this debt.

## STOCK MARKET

While the stock market was very active yesterday, the local securities closed a little weak, doubtless falling off owing to the decline of Belmont, which dropped 30 cents. The fall is attributed to the failure of the directors, who met Monday, to declare a dividend and it is evident that the increase in Monday's prices was due to the anticipation of a dividend being declared. Both Montana and Extension dropped six points, closing at 99 bid. Jim Butler lost six points, while Mizpah Extension closed firm.

West End gained 3 cents. North Star proved a sensation and gained five cents during the day's trading, which was quite heavy on this stock. Many large blocks changed hands. Rescue was also active selling on the closing at six cents.

At the Butler theater on next Thursday night the management has arranged one of the best attractions that the music loving public ever had the pleasure of hearing.
